

1. Department of Curriculum and Instruction

ESE 880

Course Title: Problems in Music Education

Credit Hours: 1 - 3

2. Course Description

Problems in the various areas of music education. Emphasis on curriculum improvement through experience to current research and literature in the field. If taken as an independent study, student must have the independent study form approved by faculty advisor and department chair prior to enrollment. May be retaken to a maximum of three hours.

The Department of Curriculum and Instruction Curriculum Committee is recommending to the Department that this course be deleted from the catalog as it is no longer required in any program and is not offered.
